

VIP: Vocational training In Prison
Analysis of innovations introduced in daily activities

1 What is the innovation recognized? (description of the innovation)

Innovative for VET institution Noorderpoort has been a lot of new ideas and strategies to work more together with (regional) businesses, within or outside the prison. The “coffee” plant of Lazzarella f.i. is something NP and the youth prison are looking into.

Also some ideas of the creation of practical VET in prison in Vienna are taken into consideration..

2 Why is it innovative for your organisation? (describe what kind of improvement it will offer to your organisation)

See above

3 How do you carry out it?

These changes take time but NP was inspired by these examples of innovations
